I hereby request permission to use the listed work(s) in the manner stated above. I understand that approval of this request is subject to the following conditions, and by my signature indicate my agreement to them. Authorization to use the works requested is void unless I strictly adhere to all conditions stated herein.

1. All work(s) provided by Indiana University-Purdue University Fort Wayne (IPFW) remain the property of IPFW. The requestor is strictly prohibited from further dissemination of the work(s), including but not limited to donation, loan, or sale of said work(s) to another individual, company, organization, library, repository, or archives.
2. In granting permission to use its work(s), IPFW does not surrender its own right to publish the work(s) or to grant permission to others to use or publish the work(s) in the future.
3. The requestor agrees to use the item (s) without significantly altering it/them through conventional or electronic means. Altering or manipulating the image beyond standard cropping and resizing requires specific permission
4. The work(s) are provided to the requestor for one-time use only, to be reproduced and distributed exactly as described. Permission is non-exclusive and non-transferable and subsequent uses require further permissions.
- 5 One copy of the publication or end-product (regardless of media or format) will be provided to IPFW University Archives as soon as published, at no charge to the university.
6. The requestor agrees to assume all responsibility for possible copyright infringement, invasion of privacy, and violation of other applicable federal and state laws arising from use of work(s) from the collections of IPFW University Archives, and to indemnify and hold harmless IPFW and Purdue University, their officers, trustees, employees and agents from and against any and all claims, damages, or liability that may occur as a result of or in any way related to the use or redistribution of the work(s).
- 7 The requestor and IPFW agree that any photocopy or facsimile copy of this fully-executed agreement shall have the same legal force and effect as any copy bearing original signatures of the requestor and IPFW.
